

Westlock Regional Waste Management Commission is accepting Request for Proposal for the following service. Deadline is December 15th, 2017 at 2pm for application submission.

Recycling and Salvage of metal materials from the regional landfill, including but not limited to:

- **Appliances, includes Freon containing units and removal of Freon meeting Alberta Environment Regulations.**
- **Metals**
- **Tin Cans**
- **Barbed Wire and Cage Wire**
- **Nonferrous materials**
- **Barrels**
- **Hot Water Tanks**
- **Pressurized tanks, for example oxygen tanks or non-reverifiable propane tanks.**

Application can be printed off from the Commissions Web site: www.wrwmc.com, or can be requested by email to: manager@wrwmc.com, or a hard copy picked up at the Westlock Reginal landfill, 59424 Rrd 262, Westlock.

Refer any questions to Tom Moore, Commission Manager, manager@wrwmc.com, or by phone 780-805-2015.

Vision Statement: "We are leaders in waste diversification and innovation!"
