

WESTLOCK COUNTY

POLICY NO. 6.06

September 9, 2008

TITLE: YOUTH ASSISTANCE GRANTS

POLICY STATEMENT:

Westlock County contributes to local individuals and organizations that have progressed in their activity to the Zone, Provincial, National or International level. The County provides this funding according to the follow guidelines:

1. Funds are provided to individuals or organizations that reside/exist within Westlock County.
2. All local sports and cultural activities will be considered by the County.
3. Youth considered will be 18 years of age or under.
4. Letters requesting financial assistance should include:
 - a) Number of participants and breakdown of residence locations of team/group and coaching/management staff.
 - b) Where the group is going and for how long.
 - c) Who the assistance grant should be made payable to.
 - d) A statement of how the individual or group progressed to the competition or activity.
5. Funding is based on \$200.00 per team or group and \$200.00 for individuals that participate in Zone or Provincial level competition and may be authorized by the Recreation Director. Each individual or team will only be approved for one Provincial competition per activity per year.
6. Allocations for national or international level competition shall be authorized by a Resolution of the County Council.
7. All funding is contingent on approval of the annual Recreation Operational Budget, as established by Westlock County.
