Why get an EFP?

EFPs bring benefits for farms of all sizes!

- Increase your operational efficiency & reduce farm costs
- Commodity groups & agencies often require producers to have an EFP
- EFPs can be a marketing tool if you sell directly to consumers
- Many government programs require EFPs for grants & funding
- Increase your understanding of legal requirements related to environmental issues.

EFPs are:

- FREE
- Confidential
- Valid for 10 years!
