

WESTLOCK COUNTY
FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibility for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are properly maintained to provide reliable information for the preparation of the financial statements.

The elected Reeve and Council of Westlock County are composed entirely of individuals who are neither management nor employees of the County. The Reeve and Council have the responsibility of meeting with management and the external auditors to discuss the internal controls over the financial reporting process, auditing matters, and financial reporting issues. The Reeve and Council are also responsible for the appointment of the County's external auditors.

Metrix Group LLP, an independent firm of Chartered Professional Accountants, is appointed by Council to audit the financial statements and to report directly to them. The external auditors have full and free access to and meet periodically and separately with both the Reeve and Council and management to discuss their audit findings.

INDEPENDENT AUDITORS' REPORT

To the Reeve and Council of Westlock County

Opinion

We have audited the accompanying financial statements of Westlock County (the County), which comprise the statement of financial position as at December 31, 2025 and the statements of operations, change in net financial assets, remeasurement gains and losses and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the County as at December 31, 2025, the results of its operations, changes in net financial assets, remeasurement gains and losses, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the County in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the County's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the County or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the County's financial reporting process.

(continues)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control.
- Evaluate the appropriateness of accounting policies and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the County to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Westlock County (the "County") are the representations of management prepared in accordance with Canadian public sector accounting standards. Significant aspects of the accounting policies adopted by the County are as follows:

(a) Reporting Entity

The financial statements reflect the assets, liabilities, revenues, expenses, and change in net financial assets and cash flows of the reporting entity. The entity is comprised of the municipal operations of the County and the Westlock Municipal Airport and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

The schedule of taxes levied also includes requisitions for education and seniors foundations that are not part of the municipal reporting entity.

The financial statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods and services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

(c) Land Held for Resale

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as physical assets under their respective function.

(d) Investment Income

Investment income includes interest income, and realized gains or losses on the sale of investments.

Realized gains and losses on disposal of investments are recorded in the County's accounts and are included in income on the statement of operations and accumulated surplus. Realized gains and losses on disposal of investments are determined on an average cost basis.

Investment income is reported as revenue in the period earned. When required by the funding government or related act, investment income earned on deferred revenue is added to the investment, and forms part of the deferred revenue balance.

(e) Pension Expenses

Contributions for current and past service pension benefits are recorded as expenses in the year in which they become due.

(f) Cash and temporary investments

Cash and temporary investments include items that are readily convertible to known amounts of cash, are subject to an insignificant risk of change in value, and have a maturity of three months or less at acquisition.

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(g) Tax Revenue

Property tax revenue is based on assessments determined in accordance with the *Municipal Government Act*. Tax mill rates are established annually. Taxation revenues are recorded at the time tax billings are issued. Assessments are subject to appeal.

Construction and borrowing costs associated with local improvement projects are recovered through annual special property assessments during the period of the related borrowing. These levies are collectible from property owners for work performed by the County. Under the accrual basis of accounting, revenues to be received from local improvement assessments are recognized in full in the period the local improvement project costs are incurred and the passing of the related imposition by-law.

(h) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the period. Where management uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. The amounts recorded for valuation of tangible capital assets, the useful lives and related amortization of tangible capital assets, future cash flows associated with asset retirement obligations, and accrued liabilities are areas where management makes significant estimates and assumptions in determining the amounts to be recorded in the consolidated financial statements.

(i) Government Transfers

Government transfers are the transfer of assets from all levels of governments that are not the result of an exchange transaction, are not expected to be repaid in the future, or are the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period that the events giving rise to the transfer occurred, providing the transfers are authorized, any eligibility criteria have been met by the County, and reasonable estimates of the amounts can be made.

(j) Requisition Over-Levies and Under-Levies

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. In situations where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(k) Asset Retirement Obligations

Asset retirement obligations are legal obligations associated with the retirement tangible capital assets. Asset retirement activities include all activities related to an asset retirement obligation. These may include, but are not limited to:

- Decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- Remediation of contamination of a tangible capital asset created by its normal use;
- Post-retirement activities such as monitoring; and
- Constructing other tangible capital assets to perform post-retirement activities.

Asset retirement obligations are initially measured at the later of the date of acquisition or legislative obligation. When a liability for an asset retirement obligation is recognized, the asset retirement costs are added to the carrying amount of the related tangible capital asset in productive use and are amortized over the estimated useful life of the related tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets or for tangible capital assets no longer in productive use are expensed in the consolidated statement of operations.

When the future retirement date is unknown, the asset retirement obligation is measured at the current estimated cost to settle or otherwise extinguish the liability. When the future retirement date is known, a present value technique is used to measure the liability. Subsequent to the initial measurement, the asset retirement obligation is adjusted to reflect the passage of time and changes in the estimated future cash flows underlying the obligation and is recognized as an accretion expense in the consolidated statement of operations.

(l) Allowances for Operating and Physical Assets

Allowances for asset valuations are netted against the related asset. Increases in allowances are recorded as expenditures, while decreases in allowances are recorded as revenues.

(m) Valuation of Financial Assets and Liabilities

The County's financial assets and liabilities are generally measured as follows:

<u>Financial Statement Component</u>	<u>Measurement</u>
Cash and temporary investments	Cost
Receivables	Lower of cost and net realizable value
Debt recoverable - local improvements	Amortized cost
Investments	Fair value or amortized cost
Accounts payable and accrued liabilities	Cost
Accrued wages payable	Cost
Long-term debt	Amortized cost

All financial assets are annually assessed for impairment. If an impairment deemed other-than-temporary is identified, the cost of the financial asset is written down to its realizable value. Any impairment losses are included in the statement of operations and accumulated surplus. A write-down of a financial asset to reflect a loss in value is not reversed for a subsequent increase in value.

For financial assets and liabilities measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. Transaction costs are expensed as they are incurred.

(CONT'D)

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(n) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis as follows:

Utility Engineering Structures	10 - 75 years
Buildings	50 years
Engineering Structures	10 - 75 years
Machinery & Equipment	4 - 50 years
Vehicles	5 - 25 years

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

iii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

iv) Inventory for Consumption

Inventory held for consumption is recorded at the lower of cost and replacement cost with cost determined using the average cost method.

v) Cultural and Historical Tangible Capital Assets

Works of art for display are not recorded as tangible capital assets but are disclosed.

(o) Remeasurement Gains and Losses

Accumulated remeasurement gains and losses primarily represent the excess or shortfall of the fair value of the portfolio investments at period end over the cost of the portfolio investments. Changes in accumulated remeasurement gains and losses are recognized in the consolidated statement of remeasurement gains and losses. Changes in accumulated remeasurement gains and losses during the period include unrealized increases and decreases in fair value of the portfolio investments and realized gains and losses on the sale of the portfolio investments. When the portfolio investments are sold (derecognized), any accumulated unrealized gain or loss associated with the investment becomes realized and is included in the annual surplus (deficit) on the statement of operations and accumulated surplus.

(p) Future Accounting Standard Pronouncements

The following summarizes upcoming changes to the Canadian public sector accounting standards. The County will continue to assess the impact and prepare for the adoption of these standards.

i) Financial Statement Presentation

PS 1202, Financial Statement Presentation, sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement principles are based on the concepts in the Conceptual Framework for Financial Reporting in the Public Sector. This standard is applicable to fiscal years beginning on or after April 1, 2026.

ii) The Conceptual Framework for Financial Reporting

The PSAB's framework replaces the conceptual aspects of PS 1000 - Financial Statement Concepts, and PS 1100 - Financial Statement Objectives. This standard is applicable to fiscal years beginning on or after April 1, 2026.

2. CASH AND TEMPORARY INVESTMENTS

	<u>2025</u>	<u>2024</u>
Cash	\$ 4,098,241	\$ -
Temporary investments	<u>802,483</u>	<u>-</u>
	<u>\$ 4,900,724</u>	<u>\$ -</u>

Temporary investments are short-term deposits with original maturities of three months or less.

3. CASH HELD IN TRUST

Cash held in trust consists of the excess of proceeds received over property taxes and applicable penalties owed on those properties sold for tax recovery. The *Municipal Government Act* requires that unpaid excess funds be held for a minimum period of ten years before the County can use the funds for its own purposes. The County has \$97,617 (2024 - \$34,181) of cash held in trust.

4. TAXES AND GRANTS IN PLACE OF TAXES RECEIVABLE

	<u>\$ 4,210,835</u>	<u>\$ 864,077</u>	<u>\$ 5,074,912</u>

The County assumed debentures on behalf of Homeland Housing and Westlock Seed Cleaning Co-op Ltd. The County is not in a partnership with either entity on the capital projects but agreed to obtain the funding required by the entities and is fully reimbursed for both principal and interest payments.

The related debt is held by the Province of Alberta. The interest rates range from 3.411% to 3.586% and mature between 2028 and 2036.

The payments are not disclosed as revenues and expenses by the County as these loans are 100% recoverable from the entities.

8. INVESTMENTS

	<u>2025</u>	<u>2024</u>
Investments - amortized cost	\$ 6,447,508	\$ 13,350,652
Investments - fair value	<u>3,512,400</u>	<u>3,115,724</u>
	<u>\$ 9,959,908</u>	<u>\$ 16,466,376</u>

The composition of portfolio investments measured at amortized cost is as follows:

	<u>2025</u>		<u>2024</u>	
	<u>Carrying value</u>	<u>Market value</u>	<u>Carrying value</u>	<u>Market value</u>
Fixed income securities	\$ 6,447,508	\$ 6,447,508	\$ 5,163,176	\$ 5,280,784
Term deposits	<u>-</u>	<u>-</u>	<u>8,187,476</u>	<u>8,187,476</u>
	<u>\$ 6,447,508</u>	<u>\$ 6,447,508</u>	<u>\$13,350,652</u>	<u>\$ 13,468,260</u>

The composition of portfolio investments measured at fair value is as follows:

	<u>2025</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest bearing securities				
Other instruments	\$ <u>-</u>	\$ <u>3,512,400</u>	\$ <u>-</u>	\$ <u>3,512,400</u>
	<u>2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest bearing securities				
Other instruments	\$ <u>-</u>	\$ <u>3,115,724</u>	\$ <u>-</u>	\$ <u>3,115,724</u>

The fair value measurements are those derived from:

Level 1 - Quoted prices in active markets for identical assets.

Level 2 - Fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the assets, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Fair value measurements are those derived from valuation techniques that include inputs for the assets that are not based on observable market data (i.e. unobservable inputs)

The fixed income securities have effective interest rates ranging from 3.93% to 5.68% (2024 - 2.01% to 5.23%) with maturity dates from March 4, 2026 to March 5, 2035 (2024 - March 4, 2026 to February 1, 2033).

The market value of the fixed income securities and principal protected notes are based on quoted market values. The market value of the fixed income securities and principal protected notes fluctuate with changes in market interest rates and indices. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss. Market values are based on market conditions at a certain point in time and as such, may not be reflective of the future fair values.

Council has designated funds of \$407,510 (2024 - \$367,566) for future recreation projects.

14. ACCRUED WAGES PAYABLE

	<u>2025</u>	<u>2024</u>
Vacation and overtime	\$ 235,255	\$ 277,889
Regular wages payable	<u>112,587</u>	<u>129,599</u>
	<u>\$ 347,842</u>	<u>\$ 407,488</u>

The vacation and overtime liability is comprised of the vacation and overtime that employees are deferring. Employees have either earned the benefits (and are vested) or are entitled to these benefits within the next budgetary year. The County does not provide post-employment benefits to their employees.

15. LONG-TERM DEBT

	<u>2025</u>	<u>2024</u>
Debenture debt supported by long term investment receivable from Homeland Housing, secured by a mortgage on the Pembina Supportive Housing building.	\$ 4,210,835	\$ 4,538,918
Debenture debt supported by general municipal levies.	<u>1,483,069</u>	<u>2,163,863</u>
	<u>\$ 5,693,904</u>	<u>\$ 6,702,781</u>

The current portion of the long-term debt amounts to \$976,932 (2024 - \$1,008,876).

Principal and interest repayments:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2026	\$ 976,932	\$ 195,773	\$ 1,172,705
2027	691,787	164,896	856,683
2028	721,468	135,215	856,683
2029	384,558	108,903	493,461

Thereafter	<u>2,521,510</u>	<u>282,432</u>	<u>2,803,942</u>
	<u>\$ 5,693,904</u>	<u>\$ 983,031</u>	<u>\$ 6,676,935</u>

Debenture debt is repayable to the Province of Alberta and consists of nine amounts, bearing interest at rates ranging from 1.120% and 5.662% per annum maturing in the year 2026 and 2037 respectively.

Debenture debt is issued on the credit and security of the County at large.

Interest on long-term debt amounted to \$69,164 (2024 - \$89,735).

The County's total cash payments for interest is \$227,201 (2024 - \$258,573).

16. ASSET RETIREMENT OBLIGATIONS

Tangible capital assets with associated retirement obligations include land, land improvements, buildings, and engineered structures.

The County has asset retirement obligations to remove various hazardous materials including, asbestos, lead, mercury, and mold from various buildings under its control. Regulations require the County to handle and dispose of these materials in a prescribed manner when it is disturbed, such as when the building undergoes renovations or is demolished. Although the timing of the removal is conditional on the building undergoing renovations or being demolished, regulations create an existing obligation for the County to remove the materials when the asset retirement activity occurs.

The County has asset retirement obligations pursuant to the *Environmental Protection and Enhancement Act* (Alberta) to fund the future reclamation of its work sites. Reclamation activities include the final soil cover, landscaping, and visual inspection. Although, the timing of the work site reclamation is conditional on the length of time until the site is expected to be inactive, regulations create an existing obligation for the County to reclaim the work site when the asset retirement activity occur.

Accretion expense	<u>10,698</u>	<u>14,963</u>
Balance, End of Year	<u>\$ 350,249</u>	<u>\$ 339,551</u>

Asset retirement obligations of \$350,249 (2024 - \$339,551) are measured using a present value technique. The present value was calculated using estimated total undiscounted cash flow amounting to \$361,000 (2024 - \$361,000), a discount rate of 5.14% (2024 - 5.14%), an annual inflation of 3.90% (2024 - 3.90%), with retirement and reclamation activities expected to be settled between 2026 and 2067.

Certain asset retirement obligations described above relate to gravel extraction and reclamation activities. Funding for these obligations is an operational planning decision of Council and may be supported through reserves; however, the existence or level of reserve funding does not affect the measurement of the asset retirement obligation recognized in these financial statements.

18. ACCUMULATED SURPLUS

Accumulated surplus consists of restricted and unrestricted amounts and equity in tangible capital assets as follows:

	<u>2025</u>	<u>2024</u>
Unrestricted surplus	\$ <u>963,973</u>	\$ <u>958,581</u>
Accumulated remeasurement gains (losses)	<u>103,700</u>	<u>65,724</u>
Restricted surplus		
Operating reserves	<u>8,907,609</u>	8,704,924
Capital reserves	<u>9,172,580</u>	<u>8,406,405</u>
	<u>18,080,189</u>	<u>17,111,329</u>
Equity in tangible capital assets	<u>34,100,405</u>	<u>33,134,795</u>
	<u>\$ 53,248,267</u>	<u>\$ 51,270,429</u>

19. DEBT LIMITS

Section 276(2) of the *Municipal Government Act* requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the County be disclosed as follows:

	<u>2025</u>	<u>2024</u>
Total debt limit	\$ <u>25,688,595</u>	\$ 25,043,328
Total debt	<u>5,693,904</u>	<u>6,702,781</u>
Amount of total debt limit unused	<u>\$ 19,994,691</u>	<u>\$ 18,340,547</u>
Debt servicing limit	\$ <u>4,281,433</u>	\$ 4,173,888
Debt servicing	<u>1,172,705</u>	<u>1,236,077</u>
Amount of debt servicing limit unused	<u>\$ 3,108,728</u>	<u>\$ 2,937,811</u>

The debt limit is calculated at 1.50 times revenue of the County (as defined in the Alberta Regulation 255/2000) and the debt service limit is calculated as 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are a conservative guideline used by Alberta Municipal Affairs to identify municipalities that could be at a financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the County. Rather, the financial statements must be interpreted as a whole.

20. LOCAL AUTHORITIES PENSION PLAN

Employees of the County participate in the Local Authorities Pension Plan (LAPP), which is covered by the *Public Sector Pension Plans Act*. LAPP is financed by employer and employee contributions and investment earnings of the LAPP Fund.

The County is required to make current service contributions to the Plan of 8.45% (2024 - 8.45%) of pensionable earnings up to the Canada Pension Plan year's maximum pensionable earnings and 11.65% (2024 - 11.65%) for the excess. Employees of the County are required to make current service contributions of 7.45% (2024 - 7.45%) of pensionable earnings up to the year's maximum pensionable earnings and 10.65% (2024 - 10.65%) on pensionable earnings above this amount.

Total current and past service contributions made by the County to the LAPP in 2025 were \$388,655 (2024 - \$374,473). Total current and past service contributions made by the employees of the County to the LAPP in 2025 were \$346,327 (2024 - \$384,056).

At December 31, 2024, the LAPP disclosed an actuarial surplus of \$19.6 billion (2023 - \$15.1 billion).

21. COMMITMENTS

The County has a commitment to remediate the main gravel pit it utilizes for gravel extraction once the pit has been utilized to its full capacity. The timeline for the pit to be utilized is uncertain. The County estimates remediation costs to be approximately \$100,000. This amount has been accrued in the financial statements as an asset retirement obligation (see note 16).

Amounts set aside in reserves to fund future remediation activities represent Council designations and do not constitute financial liabilities or separate commitments of the County. At December 31, 2025, the County has designated \$250,000 in reserves (2024 - \$250,000) to fund future gravel pit remediation costs.

22. FINANCIAL INSTRUMENTS

The County's financial instruments consist of cash and temporary investments, accounts receivable, investments, accounts payable and accrued liabilities, deposit liabilities, debt recoverable local improvements and long-term debt. It is management's opinion that the County is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Credit Risk

The County is subject to credit risk with respect to taxes and grants in place of taxes receivable and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the County provides services may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of customers minimizes the County's credit risk.

Unless otherwise noted, the carrying value of these financial instruments approximates their fair value.

23. SEGMENTED INFORMATION

The County provides a range of services to its residents. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1. For additional information see the Schedules of Segmented Information.

27. BUDGET

The budget presented in these financial statements is based on the budget approved by Council on April 22, 2025. The County compiles a budget on a modified accrual basis. The budget expenses all tangible capital asset purchases rather than including amortization expense. The reconciliation below adjusts excess revenue over expenses to align with the budget process. It should not be used as a replacement for the statement of operations and accumulated surplus. Users should note that this information may not be appropriate for their purposes.
