

EMPLOYMENT OPPORTUNITY

Position Title:	Agricultural Services Coordinator	Job Status:	Permanent
Department:	Infrastructure Services	Reports To:	Assistant Agricultural Fieldman

Position Summary

Reporting directly to the Assistant Agricultural Fieldman, the Agricultural Services Coordinator will be responsible for providing administrative support to the Agricultural and Environmental Services department. This position requires accuracy in detail with an emphasis on independent work habits and self-motivated initiative. Strong organizational skills and the ability to work as a team member along with a high level of professionalism is required.

This role supports the organization as a whole by providing GIS and mapping services, and backup support during absences to the Infrastructure Services department.

Duties and Responsibilities

Under the supervision of the Assistant Agricultural Fieldman, the duties and responsibilities of the Agricultural Services Coordinator include, but are not limited to, the following:

General Duties – 60%

- Provide administrative support for Agricultural Services including Transfer Stations and Hamlet Residential Waste Collection
- Coordinate with regional stakeholders in agricultural and environmental initiatives including the Westlock Regional Waste Management Commission
- Administer, process, and submit landfill permits applications and payments
- Attend Agricultural Service Board (ASB) meetings; take, distribute, and archive meeting minutes, undertake and/or assist with follow up as directed
- Prepare, issue, track, manage internal and external County documentation including transfer sites and agricultural programs, including:
 - Tree Program;
 - Workshop & Tour registrations;
 - Equipment Rental bookings;
 - No Spray Program;
 - Enforcement of Pest Control; and
 - other ASB programs as assigned
- Provides administrative services for County Cemeteries including, but not limited to, the sale of plots, general inquiries, updating the registry, and mapping

- Monitor, screen, respond to, and distribute incoming calls and walk-in customer inquiries, related to Agricultural and Environmental Services
- Interact with external contractors, residents, business contacts, municipal, provincial, and federal government officials, and administrative personnel;
- Maintain tact, composure, and diplomacy in dealing with clients, customers, builders, and contractors
- Perform related clerical duties, such as word processing, maintaining filing and record systems, faxing, and photocopying
- Responsible for using confidential information appropriately and maintaining the confidentiality and security of all information related to the County and residents
- Review operating practices, department data management, and recommends improvements where necessary and within approved budget and established policy
- When required, provides backup coverage for Infrastructure Services Coordinator

Financial-15%

- Assist with input of the annual budget into Questica
- Receive, code, prepare invoices, and agreements for the General Manager to sign
- Create, maintain, and distribute purchase orders

Technical – 15%

- Research, evaluate, develop, implement, and maintain the County's internal and external GIS Infrastructure
- Work with AutoCAD Civil/Map 3D, ArcGIS, GIS mapping and other applications for preparation and updating technical/engineering drawings
- Build and support mapping applications, tools, dashboards, and templates to allow users to enter and maintain department data and make data-based decisions
- Review geospatial data for accuracy, data preparation and cleanup
- Update and maintain spatial data within the GIS that are required by a variety of departments
- Customize map applications to serve the needs of all stakeholders
- Provide guidance, data-related assistance, technical support, and resources (i.e., training material, videos) to internal and external GIS and server-based database stakeholders
- Support and assist with multi-user database and application management

Other – 10%

- Ensure that Westlock County's Health and Safety Program as well as Occupational Health and Safety's standards are followed
- Scribe duties in the Emergency Command Centre during state of local emergency
- Other duties and responsibilities as assigned from time to time by the General Manager of Infrastructure Services

- Promotes a safe work environment, ensuring compliance with all government regulations, and Health & Safety policies and practices. Participation on the County's Joint Health and Safety Committee as required
- Other duties as assigned
